TIPS - INFO

To load, begin by snapping in opposite tabs around the top.

When loading, punch tab from inside out. Trap fringe/top bag with tabs.

We recommend suspending bottom of bag about 1/4 " above floor/ground

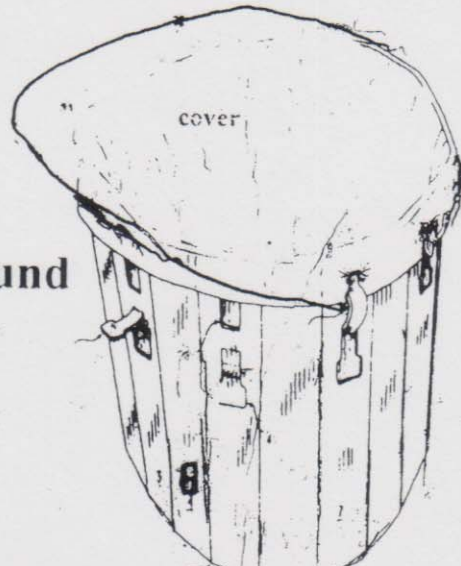

Hole: in case staking. ->

To close filled bag, stretch fringe/top bag. Roll into pony tails. Tie square knot.

Limited warranty one-yr. Tab ears bend/flex normally.

If covers were purchased, trap back above elastic band.

In case of doubling bags, alternate tabs.
